

Our 'One Page Website' Package and Bespoke Website Design Service...

JMD offer two approaches to website design at present; a **One Page Website Package** and a **Bespoke Website Design Service**. Many of our business start-up customers need a simple, professional web presence to get them up and running as fast as possible. Our established customers may need an overhaul or an update of their current website. We will discuss your requirements in detail, and provide an accurate quotation based on your needs.

'One Page' Website £350.00 + vat

- Get an instant* professional web presence using our own purpose-built template.

See some examples:
www.riverhorseadvisory.co.uk

Price does not include domain name and registration. JMD can help you register a domain name and hosting if needed. *If you already have a domain name and hosting, we can get your 'one page' website up and running to our template within 24hours.

Standard Website from £580.00 + vat

- Using our own template, JMD build a 'standard' website which includes the following features:

- Up to Four web pages
- An animated graphic or 5 of your photos

See some examples:
www.countrysideconsulting.co.uk
www.start2exercise.com (more complex, £850 + vat)

Price does not include domain name registration or web hosting.

Bespoke Websites — please ask us for a quotation

We will discuss with you what you really need, provide a written quotation and an outline of what will be included.

See some examples:
www.wednesdayclub.org.uk
www.jmd.eu.com
www.barbaramitchellhill.com
www.ecotecservices.co.uk

Price does not include domain name registration or web hosting, which can be arranged at very competitive prices.

Additional Website features

There are many additional features JMD can incorporate into the website packages described above. Guide prices to some of these features are listed here:

- | | |
|---|--------------|
| • Copywriting | from £250.00 |
| • Customer login and registration pages | from £600.00 |
| • Image gallery | from £300.00 |
| • Animation | from £350.00 |
| • Online Shop | from £500.00 |
| • Blog | from £400.00 |
| • Content Management System | from £800.00 |

We offer a strategic design approach to web work – as graphic designers our main aim is to help our customers communicate effectively. To ensure your aims are achieved, we will discuss your needs carefully with you first. Then we'll apply our experience, design skills and embrace the latest powerful web technology to provide an effective solution. We can also advise you on basic SEO requirements. Database creation, CSS, CMS, and SEO all constitute JMD's web design provision. We can also provide administration and regular updates once your site is up and running.
